Comn	nent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Richard Cooper
Address	47A, KING STREET, KING STREET, ARUNDEL, BN18 9BN
Type of Comment	Objection
Comments	This will be an eyesore for a huge surrounding area, the scale of which is obscene, the traffic that will be driven to this location is totally unsuitable for already problematic road networks. There is no argument why the build of such a facility in this location has any logical or positive case, even consideration of such a plan suggests that a lack of due diligence has been completed.
