

Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Elizabeth Moore
Address	TORTON HILL ROAD, 21, TORTON HILL ROAD, ARUNDEL, BN18 9HF
Type of Comment	Objection
Comments	The south coast is extremely overdeveloped and has changed totally from a quiet rural area of beauty and charm to a noisy, traffic laden eyesore. This project would dominate the skyline and destroy what was once an idyllic English picture for artists, authors, poets and children's vacations, adventures and dreams. It will adversely affect and pollute the night sky.
