Application number	WSCC/036/20
Name	Jack Turnbull
Address	Top floor flat 45 maltravers street Arundel West Sussex Bn189bu
Type of Comment	Objection
Comments	This suggested project will be an unmitigated blight in an area of charm, beauty and history. The additional traffic will cause further havoc on already congested roads. The air pollution, fumes and odours will hit the tourist reliant businesses in Arun district at further risk after already having been decimated by the Covid outbreak. I must object in the strongest possible terms.
