Houses in the near neighbour hood and Good Wood / Rolls Roys even closer. Total incompetence. Our Local taxes are sky high are they going to increase do not say no but they will. Over 3000 a year who can afford to live here. Complet stupid decision . Do you realy know what you are doing I/We doubt it . Take a picture in the sky of Chichester and you willsee what you are doing. How high is the chimney no this is impossible . Well I can go on but you all know what I mean. Stop this you are destroying a whole Town and the Villages around it. Total incompetence.
