Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	Gerard Cashman
Address	ELM ROAD, 3, ELM ROAD, CHICHESTER, PO20 3RQ
Type of Comment	Objection
Comments	To have this in a heavily populated area is obscene, this will cause lots of respiratory problems with residents. We moved to the area to be healthier having fresh air and the countryside. This will take away from the beautiful area we live and the extra traffic of large trucks and lorries will be hazardous to pedestrians.
