## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Mrs Molin
Address	14 HALL COTTAGES, BARNHAM ROAD, BARNHAM ROAD, CHICHESTER, PO20 3RS
Type of Comment	Objection
Comments	I object to this energy from waste facility being built in Ford as it entirely the wrong location - Ford is a semi-rural village close to the South Downs National Park. New housing is expected to be constructed all around the site and even with improved road access for those developments, the HGV traffic loads are unacceptable. Reviewing the comments from SDNP and Arundel Castle, I object to this facility due to its adverse impact on those two locations in addition to it being a wholly inappropriate scale for the site. A smaller facility - which has permission to be built - would be acceptable given the lesser impacts.
