Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	Peter Booth
Address	22 Fellows Gardens, Yapton
Type of Comment	Objection
Comments	This is a totally unsuitable proposal for a small rural location. The surrounding road structure is inadequate for such a large amount of HGV traffic. The 85 meter chimney with large associated building will be a huge polluting blot on the landscape. This in addition to the proposed 1500 new homes and a concrete recycling plant is too much for a small village area.
