Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Roy Porter
Address	SKYLARK WAY, 8, SKYLARK WAY, BOGNOR REGIS, PO22 0FA
Type of Comment	Objection
Comments	With the planned expansion of Barnham accounting for thousands of new homes in the surrounding area, it seems absurd to build something so large that will polute for miles around. I strongly object to the council seeking to poison the local people.
