

# Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Gill Bower
Address	COVE ROAD, 16, COVE ROAD, LITTLEHAMPTON, BN16 2QW
Type of Comment	Objection
Comments	I am concerned that the smallest micro particles that will be emitted from the incinerator will measurably affect the health of the surrounding communities. There is increasing evidence of measurable effects on populations surrounding existing incinerators. Please take this into account.
