Comm	nent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Philip Quinnell
Address	Spitchwick, Church Lane, Oving, Chichester.
Type of Comment	Objection
Comments	In the light of other potential developments in this area, I have been surprised to see how enormous the facility and secondary developments are planned to be. The environmental impact on a wide variety of natural and human resources must be incalculable because they will persist and worsen over many years to come.
