## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Danny Harrison-Best
Address	CROPTHORNE DRIVE, 6, CROPTHORNE DRIVE, LITTLEHAMPTON, BN17 5GG
Type of Comment	Objection
Comments	I strongly object to the proposed plant. The height of the structure being proposed is completely out of character for the area, and would scar the surrounding landscape. The increase in traffic on a minor road with the required HGVs would pose a safety risk to pedestrians, cyclists and other road users of the area, and would likely create considerable noise pollution. There are already a number of dangerous junctions on this road; routing more lorries along this stretch will likely lead to serious accidents. The chimney is likely to cause considerable pollution to the air quality in the area - this will impact anyone with respiratory weakness; my child has chronic asthma. This will have a huge negative impact on the environment and local wildlife.
