

Comment for planning application WSCC/036/20

Application number

WSCC/036/20

Name

Professor Ann Sutton ME

Address

40, TARRANT STREET, ARUNDEL, BN18 9DN

Type of Comment

Objection

Comments

Three major concerns about this application: 1. Overwhelming size, especially height, in a sensitive area of natural beauty. 2. Infrastructure : current roads and access (eg A27) to those roads are not capable of taking the waste deliveries anticipated 3. When in operation: deep local concern about air quality in surrounding towns and villages.
