

Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Duncan Harman-Wilson
Address	28 NETLEY COURT, SURREY STREET, SURREY STREET, LITTLEHAMPTON, BN17 5DZ
Type of Comment	Objection
Comments	I consider the size and in particular the height of the proposed new construction wholly inappropriate in this area. We are on a flat coastal plain on the edge of the South Downs National Park. The construction will be visible from miles around ruining any view across the area and blighting the area in its immediate vicinity which I had understood was designated for new much needed housing.
