Comm	ient for planning application wSCC/036/20
Application number	WSCC/036/20
Name	Paul Buckwell
Address	CENTRAL DRIVE, 9, CENTRAL DRIVE, BOGNOR REGIS, PO22 7TT
Type of Comment	Objection
Comments	This application should not be approved. The height of the proposed chimney is out of proportion and will be highly visible across the coastal plain. This would detract from the views of the South Downs National Park and the risk the remaining green gap between Littlehampton and Bognor. Access roads are not able to cope with the additional vehicle movements that this development would create. Local housing in Arundel Ford Yapton Clymping Littlehampton Flansham Felpham and Bognor would be at high risk of Air pollution
