Comment for planning application wSCC/036/20	
Application number	WSCC/036/20
Name	Elizabeth Kuhler
Address	BEAM CLOSE, 6, BEAM CLOSE, ARUNDEL, BN18 0FT
Type of Comment	Objection
Comments	I am opposing this application for multiple reasons. The infrastructure in the area already struggles to cope with the volume of traffic without the addition of multiple additional HGVs every day. With the proposed housing developments in the area, the volume of vehicles will already further choke an area that is meant to be rural, without this addition. The potential for pollution and fumes to be covering the area is frankly unthinkable. This will be an unsightly addition to the area that will be impossible to ignore and certainly can't be masked. As usual West Sussex county council chooses to site unpleasant structures away from it's precious Chichester. Arun district is building its reputation for tourism, bringing a boost to the economy into an expensive area to live. People will certainly be deterred from visiting if there's a massive incinerator in the area.
