Type of Comment	Objection
Comments	The size of the proposed construction is not in keeping with the existing construction. The proposed plan would impact on the quality of life for residents; impact proposed new housing developments and impact economic growth as a consequence. Not only would also be an incredible blot on the landscape but it would be visible from miles around and jeopardise the tourist industry that Littlehampton and Arundel depend upon!! Moreover, the air quality alone from such an enormous construction is alarming!!!
