| Address                                      | PARHAM CLOSE, 19, PARHAM CLOSE, LITTLEHAMPTON, BN17 6HF  |
| Type of<br>Comment                           | Objection  |
| Comments                                     | My parents and family are residents of Yapton Village and I work in the local Primary School I object to this planning application for the following reasons. 1. The dreadful impact of hundreds of huge lorries each day using our already busy local roads being used daily by local families walking to school. 2. The existing road access is wholly unsuited to this type of heavy traffic as it is a narrow unclassified road at the heart of Clymping Village. 3. The proximity to existing and further proposed residential housing and schools. 4. The visual impact would be detrimental to the wider area over a considerable distance. 5. The unknown impact from gas, fumes, smells or other noxious substances on surrounding areas. 6. The risk of safety to residents in the event of a plant breakdown, fire or other catastrophic event. 7. This is a totally unsuitable site for a plant of this size, scale and type of operation in a residential area. |
