Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	Paul Lightfoot
Address	ROSE COTTAGE, CHURCH ROAD, CHURCH ROAD, ARUNDEL, BN18 0EW
Type of Comment	Objection
Comments	The proposed incinerator is far too close to Yapton and surrounding residential areas with listed houses and conservation areas. The toxic emissions are deadly, proven to cause cancer and respiratory issues, among others. Accepting this proposal is detrimental to human health and would no doubt constitute unlawful acts toward human health.
