Comments	This is going to be a monstrosity, far too big and unsightly for a start. (Yes, I know the old hangars are not a picture postcard, but they do have history and significance locally as part of the structure of Ford Airfield. The traffic problems of heavy lorries clogging up minor roads and lanes will all reduce the quality of life for local residents hugely. Not to mention the emissions polluting the environment even more. Go away and rethink these issues. Stop dumping on Ford and Yapton. We've had enough.
