## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Carl Carter
Address	3 Drake Grove Burndell Road Yapton Arundel West Sussex BN18 0HX
Type of Comment	Objection
Comments	I strongly object to this facility due to its location being so close to the village of Yapton due to the negative impact on residents, in regards to: 1) Impact on health especially to breathing and quality of life to elderly residents and those with breathing difficulties such as myself. 2) Increase in traffic and especially lorries in what is already a busy road, especially for walkers and cyclists as there is no foot/cycle path. 3) This will also have further negative impact on the new homes that are also due to built. I am not a opposed to reclaiming energy, but this should be away from current and increasingly residential and villages areas.
