Application number	WSCC/036/20
Name	Sandra Stephenson
Address	THE LAYNE, 5, THE LAYNE, BOGNOR REGIS, PO22 6JJ
Type of Comment	Objection
Comments	As an asthma sufferer I chose to buy a property close to the sea. This is going to affect my breathing and help. Lots of people are in similar positions. The air flow is predicted to come right over Elmer Sands. As the area is becoming more populated I think this is a bad decision to build at Yapton.
