Comm	nent for planning application wscc/036/20
Application number	WSCC/036/20
Name	Simon Buckleton
Address	LAVENDER CLOSE, 8, LAVENDER CLOSE, BOGNOR REGIS, PO22 6SP
Type of Comment	Objection
Comments	I object to this proposal based on: - Traffic impact with the high volume of commercial vehicles required to feed this site Proximity to residential homes Visual impact to a rural area Emissions from smells, gases and the like Safety aspect with similar issues happening at Chichester Amenity tip having fires , even under a controlled environment. This is not a suitable site for such business, I would recommend somewhere closer to the coastline or a larger industrial site in Chichester which has the road network to support the volume of traffic
