Comment for planning application wscc/030/20	
Application number	WSCC/036/20
Name	Jenny Le Page
Address	OLD LYMINSTER HOUSE, CHURCH LANE, CHURCH LANE, LITTLEHAMPTON, BN17 7QJ
Type of Comment	Objection
Comments	I object to this application. I believe that the height of the waste stack tower will intrude onto views of the South Downs National Park and surrounding area and is out of keeping with this area. I also have concerns over the air pollution which will inevitably affect local residents and wildlife; I realise that the height of the tower means that the particles are sufficiently dispersed by the time they reach the ground to pass the relevant regulations but the waste particles are still in the air and will still make their way down eventually. Finally, I have concerns about the impact of HGV activity delivering to the site on local traffic and the already squeezed road system.
