## Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Fiona Tu
Address	ORCHARD HOUSE, FORD LANE, FORD LANE, ARUNDEL, BN18 0DE
Type of Comment	Objection
Comments	I strongly object to this application because there will 1500 new homes adjacent to the site with schools and other community amenities. Incinerators should not be close to homes. In addition the small roads servicing he site are not suitable for 240 hgvs a day, They will generate pollution and more congestion. I am also concerned about the negative effect on the views through the Arun valley, particularly from the South Downs National Park and Arundel. I urge You to refuse this application
