Type of Comment	Objection
Comments	In agreement with all the other objectors - Approach roads too narrow for size of waste delivery vehicles to site Too many delivery vehicles required to maintain production on site Fumes from chimney will spread over too vast area Cost to NHS/ Hospitals to treat lung problems etc caused by fall out . Height of chimney causing damage to tourism by spoiling the view from Arundel and across the coastal plain from the National Park. Complete disregard for local area already overcrowded with new housing and not taking into account the further housing developments planned to be built within meters of the boundary to the incinerator. Local Crematoria planning applications have been refused, surely the same criteria be applied and therefore planning be denied.
