Comm	ent for planning application WSCC/036/20
Application number	WSCC/036/20
Name	Robert Slatter
Address	14 Jervis Avenue, Rustington
Type of Comment	Objection
Comments	I have concerns about the size of building in the area along with the environmental issues regarding the incinerator. The increase in heavy traffic on the small roads surrounding the site would be horrendous. We have grave concerns as our daughter and family live very close by.
