Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20
Name	Pam Ahern
Address	FORDWATER GARDENS, 30, FORDWATER GARDENS, ARUNDEL, BN18 0HU
Type of Comment	Objection
Comments	I wish to object to this planning application on the following basis. 1. Its size, bulk and massing will have a detrimental affect on the street scene and overall outlook t the local communities of Ford, Clymping and Yapton and beyond I suspect. 2. There will be a detrimental affect to the local ecology. 3, There will be a major affect to the air quality to the local and surrounding areas due to the discharges from the proposed plant. 4. The proposed vehicle movements and the increases in the road traffic numbers will have a major affect and cause un-told disruption to the surrounding roads in and out of Ford, Clymping and Yapton. 5. To site and approve a major plant of this size, bulk and mass with the numbers of proposed new and future houses going in at Clymping, and Ford Airfield is foolhardy at best, and clearly demonstrates a clear lack care and concerns for those future residences being proposed and considered. I trust our elected members will give those grave concerns due consideration and reject this application. Regards - Pam Ahern
