| Comments | I am completely opposed to the proposed incinerator for the following reasons: Massive traffic impact with hundreds more huge lorries each day, some coming well outside West Sussex. Church Lane is wholly unsuitable to this type of traffic, as it is a narrow unclassified road at the heart of Clymping village. Proximity to existing and proposed residential housing. Visual impact- it will be detriment to the wider area over a considerable distance. Emissions- unknown impact from gas, smells or other noxious substances on surrounding areas. This is a totally unsuitable site for a plant of this size, scale and type of operation. |
