Comn	nent for planning application WSCC/036/20

Type of Comment	Objection
Comments	The scale of these proposed buildings are totally unacceptable for this area, no matter what reason they are going to be used for. The increase in traffic will be a huge problem. Just because there is a prison close by doesn't mean you can build indiscriminatingly and blight the area. There is already planning consent being sought for residential housing very close by - how will such a huge factory type building effect future residents?
