

Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Jonathan Mott
Address	SUSSEX STREET, 47, SUSSEX STREET, LITTLEHAMPTON, BN17 6JD
Type of Comment	Objection
Comments	I wish to register my strong objection to the development of such a large incineration plant in such an otherwise rural and unspoilt area. This will significantly affect the quality of life of residents of Ford and the surrounding area. I ask that alternative sites are sought for this development.
