Application number	WSCC/036/20
Name	Sue Lacey
Address	KIRDFORD ROAD, 18, KIRDFORD ROAD, ARUNDEL, BN18 9EE
Type of Comment	Comment
Comments	This is inappropriate use of the air field. It should be nurtured as an open space for play, relaxation and wildlife. An incinerator would involve a huge amount of refuse and traffic in the area which is highly populated already. The road is busy enough and the bottlenecks at Arundel and Climping will just get worse. As a local resident using a Ford Road daily,I totally oppose this plan. Please listen to the residents!
