Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Adam Newton
Address	KIRDFORD ROAD, 28, KIRDFORD ROAD, ARUNDEL, BN18 9EE
Type of Comment	Objection
Comments	The proposition of building such a large construction in an area that is dominated by historic buildings and areas of natural beauty is very ill conceived. Arundel towns economy is heavily reliant on tourism. To have this potentially put at risk by the environmental impacts the site would have, would be grave. Not least the impact on neighbouring towns and villages, including a number of schools and public beaches and community spaces in close proximity. Ford is not a suitable location for the proposed building in its current format.
