Comm	ient for planning application wscc/036/20
Application number	WSCC/036/20
Name	Mr & Mrs Groves
Address	GREEN HAYES, BURNDELL ROAD, BURNDELL ROAD, ARUNDEL, BN18 0HT
Type of Comment	Objection
Comments	We strongly object to the proposed waste plant in Yapton village. Firstly the roads can not sustain the amount of traffic movements already going in and out of the village and surrounding villages. Therefore to add another 120 lorries per day would make the situation even worse. The proposed height of the plant Is grotesquely out of proportion to any surrounding buildings and will look unsightly in the countryside. Lastly, the area already has further housing developments approved, why would anyone want to move to this village when they will be exposed to toxic emissions produced by the plant. We certainly do not wish to be exposed to these either! We therefore hope that these comments are taken into consideration.
