Comment for planning application wSCC/036/20	
Application number	WSCC/036/20
Name	Amy Camburn
Address	4 park road bn18 0je
Type of Comment	Objection
Comments	I object for the following reasons 1) the infrastructure for large lorries is not there and will put residents walking around the l8cal villages of Ford and Yapton at risk. Paticularly in Yapton large numbers of ypung children walk to school and the pavements are very narrow. The roads are also not wide enough for safe lorry usage 2) burning waste is knoen to have a huge impact on the health of local residents. This is totally unaceptable given the thousands of pepole who live in the area that will have thier health reduced for somebodies elses profit. C) Yapton and ford are rural villages and a huge eyesore will dominate and destroy the rural aesthetics and feel of the area
