For the Attention of Planning Team.

I object to above planning application on the following grounds.

1) Environmental, the field in front of proposed incinerator leading to Ford Lane, is due to be a wetlands/nature reserve re the planning application for 3000 homes including Climping, Ford and Yapton, Redrow have already placed notifications on Ford Lane for first stage.

Viridor already know that a nature reserve next to a waste incinerator plant is dissonant, re their plant in Croydon that is slaughtering wild life.

2) Emissions from said plant will affect thousands of residents health and safety people and nature matter.

3) Viridor state it will employ 52 workers which is derisive against the local population.

4) Obviously the planning team seem to have forgotten the plans they already have in place for this area. Infrastructure should be in place first. 120 lorries, vehicles from new properties and existing business won't work. Grid lock. Noise, pollution from extra traffic, lockdown appears to have taught you nothing. Money always comes before people.

The legality of this project should be questioned, I concur with all the comments made by Dr Nicola Wilson objections.

I wonder how many executives of Viridor and members of planning teams live within the vicinity of these monstrosities.

Planning Team

Further to my email 9/8/20 Viridor state mixed waste to be incinerated which could include hazardous waste including metals that emit poisonous gas, harmful to the environment. There would be a question of where would the ash go?

Being assured by Viridor and WSCC about their waste plan for this site holds no validity for me.

Welcome to West Sussex County Planning.

Thank you for your email.

Depending on the nature of your email, your correspondence will be dealt with as indicated below:

Comments on Planning Applications

If classed as a representation, the email will be uploaded to the website within 5 working days, and a copy passed to the relevant planning officer.

Other than this email, we will not acknowledge your representation.

PLEASE NOTE

To ensure that your comments are dealt with more quickly and that you receive confirmation that it has been processed, please submit comments online at <https://www.westsussex.gov.uk/planning/comment-on-a-planning-application/>

Additional Information Relating to a Planning Application

Your email will be forwarded to the relevant planning officer who will add the information to the application.

If the information relates to the validation of the application, you will be contacted again if further information is required, or will receive a formal letter acknowledging the application as valid.

Planning Enforcement /Compliance Issues

Queries/complaints relating to planning compliance will be acknowledged within 5 working days and if necessary, we will make contact using the details you have given. Further information relating to compliance can be found on our website: www.westsussex.gov.uk/planning/planning-enforcement/

All Other Correspondence

All other correspondence will be allocated to an appropriate officer and if a response is required, we will make contact within 10 working days.

Meanwhile, you may find helpful information to assist with your enquiry on our website: www.westsussex.gov.uk/planning
