

Some of the reasons you may wish to consider in your objection to Grundon and Viridor's proposed incinerator:

- Traffic impact: hundreds more huge lorries each day, some coming from well outside West Sussex
- Road access: Church Lane is wholly unsuited to this type of traffic, as it is a narrow unclassified road at the heart of Clymping village
- Proximity to existing and proposed residential housing
- Visual impact: it will be detrimental to the wider area over a considerable distance
- Emissions: unknown impact from gas, smells or other noxious substances on surrounding areas
- Safety: in the event of a plant breakdown, fire or other catastrophic event

Conclusion: this a totally unsuitable site for a plant of this size, scale and type of operation

Objections to the incinerator must be in by 9th August

To register your objection, go to the WSCC site planning site at <https://westsussex.planning-register.co.uk/Planning/Display/WSCC/036/20> and click on the 'Comment on this application' link at the top.

Or please sign and add your address below and post in the community desk outside St. Mary's Church, St. Mary's Green, Climping. These will be forwarded to WSCC.

I object to this application for the reasons given above

Name *Priscilla + Diana Green*

Address *The White House, Gosport Road, Bantstoke PO22 0BQ.*

I also object on the basis that the development for the purpose proposed is entirely contrary to the need for curbing global warming and establishing a greener environment.

All residents are welcome to join the Clymping Village Residents Group on Facebook for more information and discussion: www.facebook.com/groups/clympingvillageresidents

This leaflet was produced and distributed by Clymping resident volunteers.
