Hi Raymond,

I think Oliver Handson has commented on behalf of our service area.

Whilst this is a waste site, as I deal with household collections I do not feel it is appropriate to comment in a professional capacity on the development as it will not impact service. I see from the notes that it is applying to deal with municipal waste, however the end destination is determined by West Sussex County Council as the waste disposal authority.

Kind regards

Daniel Cox
Cleaving Operations Manager
