Dear Sir,

Re: WSCC/036/20 - Grundon/Viridor ERF - Ford Circular  
Technology Park

Our society wishes to object to the above application.

1. Unacceptable intrusion on open farmland and flat landscape.
2. The buildings will be clearly visible from the South Downs, looking towards the sea.
3. The new buildings of 22m height and the required flue stack of 85m will dominate all views.
4. The proposed housing south of Ford Lane will be adversely affected by this proposal,
5. Inadequate road network capable of coping with heavy lorry traffic due to narrow rural roads. Yapton and Ford level crossings hinder flow of traffic.

Yours truly,

  
J.M. Williams (Mrs.)
