Subject: Fwd: PROPOSED FORD INCINERATOR

URGENT

TO ALL CONCERNED:

<https://www.theargus.co.uk/news/18619426.ford-incinerator-higher-chichester-cathedral/>

I am shocked to hear unanimous WSCC planning consent has been granted for a waste incinerator to be built in Ford visible for miles around.

When is the deadline for objections?

Does MP Gillian Keegan support this proposal?

Environmental Health will be jeopardised.

CDC has declared a climate Emergency!

Yours sincerely
