Dear Sir/Madam,

Thank you for consulting Network Rail on the planning application WSCC/045/20.

From a planning perspective Network Rail has no objections to the planning application. However, given the proximity of the of the proposed works to Network Rail s land and the operational rail, Network Rail asks that the applicant makes Network Rail s Asset Protection team aware of these operations by contacting them via [AssetProtectionLondonSouthEast@NetworkRail.co.uk](mailto:AssetProtectionLondonSouthEast@NetworkRail.co.uk) prior to starting works in case there is any interface with railway operations.

Kind Regards,
