Comment for planning application WSCC/045/20

Application number Name	WSCC/045/20 Bee Gerlinger
Address	HOYLE FARM, MIDHURST, GU29 0DY
Type of Comment	Objection
Comments	I strongly object to fracking applications in an Area of Outstanding Beauty. In this case, this operation would also dramatically increase the risk of pollution to a nearby reservoir. Flares have shown to negatively affect local people's health. The operation would require HGVs to go past the school. There is a risk of groundwater contamination.
