Comment for planning application WSCC/045/20

Application number	WSCC/045/20
Name	KATHERINE TREHERNI
Address	Herons Folly Fletching Street Mayfield East Sussex TN20 6TE
Type of Comment	Objection
Comments	As the government has banned fracking, what is the point of this further testing? Even without the government's bann, I would object to further testing anyway. Climate Change, Environmetnal Degradation, Water Safety need I say more? Thank you.
