Comment for planning application WSCC/045/20

Application number Name	WSCC/045/20 M Warburton
Address	VICTORIA HOUSE, LONDON ROAD, LONDON ROAD, HAYWARDS HEATH, RH17 6HS
Type of Comment	Objection
Comments	We live an area of ONB therefore precious countryside which should not be turned into an industrail site. There are many underground streams which could be contaminated and water is scarce when you consider the number of houses being built in this area. The roads are not suitable and heavy trucks would pass the school and emit toxic fumes, noise and dirt. There is also danger of chemical,spills or tankers of oil catching fire. People living on London Road will have to put up also with noise, fumes and heavy traffic. We need green energy and clean air when we are in the throes of global warming. There is no room for debate just say NO to FRACKING!
