## Comment for planning application WSCC/045/20

Application number	WSCC/045/20
Name	Chris Lee
Address	DENMANS LANE, 5, DENMANS LANE, HAYWARDS HEATH, RH16 2LA
Type of Comment	Objection
Comments	I strongly object to any oil exploration in Balcombe. We are at a critical stage in our world and we need Tom protect our environment not causing immeasurable damage to our future. This is short term gain for long term pain.
