Comn	nent for planning application wSCC/045/20
Application number	WSCC/045/20
Name	Diana Wallace
Address	Rose Cottage, The Walks, Llandenny Usk.
Type of Comment	Objection
Comments	This development is highly unsuitable in an AONB. There is a risk of pollution to the nearby reservoir. Flaring has a negative impact on air quality and health. Increased HGVs going pass the school. RIsk of groundwater contamination Fracking causes global heating emissions and therefore jeopardises the UK's commitments to the Paris Agreement and zero carbon targets. This development has been forced onto the local community, causing stress and conflict., negatively affecting well being.
