Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Melanie Landymore
Address	1 WILTON VILLAS, BRETTS ORCHARD, BRETTS ORCHARD, HAYWARDS HEATH, RH17 6PL
Type of Comment	Objection
Comments	I strongly object to the above application for further well test and removing drilling fluids. This is an area is of outstanding natural beauty and should not be subject to a threat to the local area of pollution and risk of groundwater contamination. The previous application was withdrawn and should remain so.
