Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Mr Martin
Address	PUCKS ACRE, ITCHENOR ROAD, ITCHENOR ROAD, CHICHESTER, PO20 7DH
Type of Comment	Objection
Comments	This is totally unsuitable given that it is an AONB, there is a risk of groundwater contamination. Balcombe is a small village, there will be the need for hundreds of HGVs to attend site, causing pollution and disruption to village life.
