Comment for planning application wSCC/045/20	
Application number	WSCC/045/20
Name	James Pitt
Address	Hoyle Farm Heyshott, Midhurst, West Sussex GU29 0DY
Type of Comment	Objection
Comments	I am very concerned about the impact of flaring on the health of local inhabitants. It is also clearly not suitable to conduct such activities in an AONB. There is also the risk of risk of groundwater contamination and pollution to the reservoir.
