

Comment for planning application WSCC/045/20

Application number

WSCC/045/20

Name

Chris Neill

Address

9 Park Avenue, Peper Harow, Godalming, Surrey GU8 6BA

Type of Comment

Objection

Comments

Approval for the application is not in the public interest and there is strong public opinion against it locally and nationally. Industrialisation of the countryside in this way is not appropriate development. The national and international plans and legal obligations to combat climate change by reducing carbon emissions override any perceived national economic advantage (which anyway is highly questionable) in extracting energy sources which cause carbon emissions.
