Comm	nent for planning application WSCC/045/20
Application number	WSCC/045/20
Name	Ben
Address	KEEPERS STUDIO, PARROCK LANE, PARROCK LANE, HARTFIELD, TN7 4AT
Type of Comment	Objection
Comments	The Arfingky reservoirs is a haven for wild life and birds. We have seen countless examples of oil drilling spool the natural habitat and I strongly oppose this step of drilling at the site. Please protect the environment and all assurances by the oil company won't be enough to protect the environment. Commercial exploration needs to stop and a scared relationship with the first is essential
